Principal	<p><b>Effective immediately, we will request a statement of health at policy delivery.</b> Effective March 24, 2020 any pending or newly submitted formal apps, we're offering additional solutions to underwrite without exam requirements. Additional changes: Insured ages up to 59 will have a maximum table rating of either Table 6 or a flat extra of \$10.00/1000. Insured ages 60-80 will have a maximum table rating of either Table 2 or a flat extra of \$5.00/1000 Ages 81+ will not be considered at any rate class until further notice. Survivorship cases-both lives need to meet these guidelines. Additionally, risks with a combination of a table rating and flat extra will be postponed, and as a regular practice, we do not convert table ratings to flat extras nor flat extras to table ratings. These guidelines will be effective for any formal applications dated March 25, 2020 and after. Formal applications dated prior to March 24, 2020 and received by April 9 or later will follow these new guidelines. July 1-Returning to normal capacity, auto and jumbo limits. \$20,000,000 maximum case size limit will be no longer-still applying restrictions as noted on April 9th. Beginning Sept 8-Additional Temp Guidelines-All Term apps w/ face amounts \$1M and less must be submitted via Drop Ticket. Exceptions to this requirement are cases where the insured is a resident of New York and life/individual disability insurance combo cases. All Drop Ticket platforms default to Accelerated Underwriting as the preferred method if the insured qualifies based on age and face amount. All informal application reviews are being temporarily suspended, effective immediately. All applications currently pending review will be closed out and no new ones will be accepted until further notice. Quick Quotes remain available.</p>	<p>Temp guidelines to the Principal Accelerated UW program. We review these guidelines and reserve the right to make changes at any time. Ages 60-80 postponed Table 2 or FE\$5/1000 Ages 81+ not considered</p>

Protective	<p>Protective has simplified the underwriting guidelines it introduced on April 15 in response to the spread of COVID-19. The new guidelines are listed below. These temporary changes apply to fully underwritten life insurance applications and do not apply to applicants who are approved for instant issue of simplified issue life insurance, including single payment whole life or Executive Benefit life products approved on a guaranteed issue basis.</p> <p>These revised limitations simplify the assessment for all ages. In addition, they now allow for possible coverage on applicants age 60 – 79 with underlying medical conditions by including those conditions within the risk class outlined below. For ages 0 – 59 rated greater than Table 4, we will continue to carefully consider the underlying conditions (including significant obesity).</p> <p>These temporary changes apply to all new or pending cases with no final underwriting offer or outstanding underwriting requirements. They do not apply to issued or approved cases that are awaiting policy issue requirements, including a Statement of Health. Applications that were postponed due to our prior temporary underwriting limitations that may now be eligible for consideration within the revised guidelines may be reopened and reviewed as requested. We will not be automatically reopening cases that were previously postponed due to COVID-19 limitations.</p>	<p>We will no longer accept cash with application to bind coverage under the TIA in the states of CA and Kansas. Any premium submitted with CA or Kansas applications as of this date will be returned. (This requirement does not apply to applicants for simplified issue life insurance. In these cases, we will return any submitted premium if the case requires full underwriting.)</p>	<p>New Annual Premium Limits:  Advantage Choice UL- \$500k  Indexed Choice UL- \$1M  Custom Choice UL-\$1M  ProClassic II UL-\$1M</p>	<p>Ages 0-59 Table 4 and better AND no COVID-19 comorbidities. Prudential	<p>Temporarily we will no longer accept any application at age 80 and over until further notice, effective April 6, 2020. Postponing any applications at ages 65 and over with a rating class of Table D or higher. Postponing any rated case in which client presents a chronic respiratory condition. April 24- Per our initial guidance on April 3, any case rated Table D and higher at ages 65 and above will be postponed. At ages over 60, this same guidance may apply, and we will pay special attention to a history of ratable coronary artery disease and immunodeficiency disorders. The underwriter will look for good follow-up with the client's personal physician, as well as excellent control of the respective medical condition (cases may be postponed if either of these requirements are not present). Effective July 7- Maximum Retention Limit is no more than \$10 million. This change is consistent with the COVID-19 related reduction put in place in March, therefore no transition period. Clients still have access to up to \$65M of auto-bind capacity for mpst products. See bulletin at right for details.</p>	<p>PruFast Track increased to \$3M. Discontinuing medical exams/labs where possible for face amounts equal to or less than \$3M, ages 60 and under. Prudential will be responsible for ordering medical requirements in all cases only if needed. Using Human API and other methods drive fast decisions w/ minimal requirements. Cases will NOT be eligible for PruFast Track if medical requirements are submitted w/ app or indicated to have been ordered. April 27- Consent for Electronic Policy Delivery form (ORD115309), authorizing Prudential to issue a policy electronically, included in all policy delivery packages.</p>	<p>Effective April 13- Suspending sales of 30-year Term Essential and 30 year Term Elite</p>	<p>All ages- postponing any chronic respiratory condition.
