Protective	<p>August 3, 2021 Effective immediately, Protective Life has revised our temporary life insurance underwriting guidelines due to the COVID-19 pandemic with the modifications below. Note that these updates apply to: We have reverted to pre-COVID-19 travel guidelines based on country and case-by-case consideration. We will continue to require a Statement of Health be signed on delivery for all fully underwritten coverage on any applicant, regardless of age or face amount. Note that this does not apply to applicants who are approved for instant issue of simplified issue life insurance, including single payment whole life or Executive Benefit life products approved on a guaranteed issue basis. Any formal application previously postponed due to COVID-19 restrictions can be reconsidered upon request with a new application, updated medical records and current underwriting requirements. Note that any case previously postponed due to our temporary COVID-19 limitations may have also been postponed due to other reasons. Upon review, your underwriter will communicate whether we can accept the applicant for coverage and if additional evidence is required</p>	Normal pre-COVID-19 cash with application guidelines now apply.		<p>Ages 0-60 years of age-reverted to pre-COVID underwriting guidelines (no restrictions) Ages 61-79: Postpone coverage if rated higher than Table 4. but can consider coverage with: Evidence of completed COVID-19 vaccination (copy of vaccination card with name, vaccine batch number and date(s) administered). At least two weeks since the final injection. No history of immunodeficiency, impairments requiring IVIG treatment or prednisone dependency. Ages 80 and above: Postpone</p>	
Prudential	<p>May 9, 2022 - As a result of the improving COVID-19 situation, many of Prudential's underwriting restrictions related to the pandemic have been liberalized. • Clients between the ages of 65 and 79, individual applications will now be considered when:</p> <ul style="list-style-type: none"> o The substandard rating class is Table F or lower. o A temporary extra premium is assessed with a total ≤ \$30 per \$1,000 (e.g., \$10 x 3 = a total of \$30) and a substandard rating of Table B or lower. <p>• Clients between the ages of 65 and 79, survivorship applications will now be considered when:</p> <ul style="list-style-type: none"> o The highest rated life is Table F or lower. o The highest rated life is Table G through T if the other life is Standard or better. <p>• Applications for ages 80 and over will continue to not be considered.</p> <p>While we have removed condition-specific restrictions, we will continue to pay special attention to comorbid conditions (diabetes, coronary artery disease, chronic respiratory conditions, immunocompromised, etc.) and evaluate the unique risks for each potential insured individual.</p>	<p>PruFast Track increased to \$3M.</p> <p>Discontinuing medical exams/labs where possible for face amounts equal to or less than \$3M, ages 60 and under. Prudential will be responsible for ordering medical requirements in all cases only if needed. Using Human API and other methods drive fast decisions w/ minimal requirements. Cases will NOT be eligible for PruFast Track if medical requirements are submitted w/ app or indicated to have been ordered. April 27- Consent for Electronic Policy Delivery form (ORD115309), authorizing Prudential to issue a policy electronically, included in all policy delivery packages.</p>	<p>June 14, 2021 New Premium Limits on the following products have increased from \$1M to now \$2M: Term (Feb 21), PruLife VUL Protector (May 21), PruLife Founders Plus (April 21), PruLife Essential UL (April 21), PruLife Custom Premier II (All versions) and PruLife SUL Protector (Feb 21). For NY products: Term (Feb 21), PruLife Essential UL (April 21) and PruLife Custom Premier II (All Version). : Older versions of products in states that haven't approved the latest pricing (ex., VULP in CA, FP in NY) will remain at a \$500k limit for single life and \$1M for survivorship.</p>	<p>Ages between 65 and 79 Table F and lower Ages 80 + will not be considered</p>	

SBLI	<p>November 9, 2021-Positive COVID-19 cases are still being postponed for 30 days after resolution of symptoms and back to normal physical activity. Cases that are more severe and require hospital admission will most likely require a longer postponement period, depending on the severity. A statement of health is still required upon policy delivery, except on cases with a Part 2 date within 2 weeks of issue. Our e-Policy delivery system helps to support this process as it allows the policyholder to accept, sign, and pay for the policy online, as well as fulfill any state delivery requirements without any human contact. Travel plans to a country with advisory Level 1 or 2 are acceptable, subject to answers on Covid-19 questions indicating no symptoms, positive test, or self-isolation. Travel plans to a country with advisory Level 3 or 4 will continue to be a postpone until 30 days after return with no COVID-19 symptoms, positive test, or self-isolation.</p>	<p>We continue to utilize electronic health records as an option when medical records are required. We have piloted both Human API and MIB sources and continue to try and use this information. If distribution has access to obtaining any electronic health records, we are willing to review if submitted. If additional information is required, SBLI has the right to request a traditional APS.</p>		<p>Cases to age 60-Table 6 or better-applications accepted. Table 7 or higher-applications postponed. Ages 61 to 65- Table 5 or better up to \$500,000; Table 2 or better over \$500,000 Table 3 or higher-postponed. Ages 66 or older- Table 2 or better-applications accepted. Table 3 or higher-postponed.</p>	
Securian	<p>April 01, 2022-Eliminating COVID-19 restrictions-While the pandemic isn't over, we feel we have developed valuable insights on how to underwrite factors that contribute to COVID-19 mortality. Instead of eliminating eligibility for entire age bands or rate classes, we are utilizing those lessons learned to consider the unique risks for each potential insured. What does that mean? Effective April 1, we are happy to announce the easement of all remaining restrictions related to the COVID-19 Participation Guidelines for all of our life products, including the SecureCare product line. We will continue to actively monitor COVID-19 data and make decisions that enable us to continue to deliver high levels of service, help customers with insurance needs, and maintain the company's financial strength.</p>	<p>The maximum face amount for WriteFit applicants ages 18 through 50 is being continued at \$3 million. Applicants ages 51 through 60 continue to be eligible for up to \$1 million of coverage via the WriteFit platform. Eligibility for WriteFit is determined by answers to the tele-interview. Money will not be accepted with new applications until at least June 30, 2021, and temporary insurance agreements will not be available during this time.</p>	<p>September 27, 2021 Premium limits for Eclipse Protector II Indexed Universal Life (IUL), Eclipse NY with the No Lapse Guarantee Agreement (NLGA) and Eclipse Survivor II IUL with the NLGA will increase September 27, 2021:</p> <ul style="list-style-type: none"> From the greater of \$250,000 or 5x target premium – to the greater of \$1 million or 5x target premium Increase limit applies to both new and in force contracts 	<p>Ages 61-70 allow Table D or better. Ages 71-75 Table B or better. Ages 76-80 Standard or better. Ages 81 or better no new applications accepted. Second-to-die requires both lives meet the rate class requirement for their respective ages.</p>	
Symetra	<p>July 1, 2021-Removing most restrictions effective Tuesday, July 6. For all ages, we will continue to require a Good Health Statement. As we announced last fall for our high-net-worth foreign national market program, we have reverted to our pre-COVID underwriting capabilities (for A and B countries up to \$20 million in capacity). These guidelines apply to new formal and informal cases, as well as any submitted cases that are still in underwriting review.</p> <p>We will continue to monitor updates from the U.S. Department of State, the CDC and other local, state and federal agencies, and we reserve the right to adjust these guidelines as conditions warrant.</p>		<p>Effective March 15- Temporary death benefit limit: \$20 million. March 15, 2021: All formal applications must be received at Symetra's home office in good order (fully completed, signed and dated). and Symetra Life Illustrator and Winflex illustration systems will be updated. April 30, 2021: The date in which all cases must be issued/paid.</p>	<p>All cases up to age 79- now applying routine underwriting assessment and criteria. Our underwriting team will continue to conduct a thorough review for all cases with co-morbidities. Ages 80 and above will continue to be postponed.</p>	<p>As announced last fall for our high-net-worth foreign national market program, we have reverted to our pre-COVID underwriting capabilities (for A and B countries up to \$20 million in capacity)</p>
