SBLI	<p>November 9, 2021-Positive COVID-19 cases are still being postponed for 30 days after resolution of symptoms and back to normal physical activity. Cases that are more severe and require hospital admission will most likely require a longer postponement period, depending on the severity. A statement of health is still required upon policy delivery, except on cases with a Part 2 date within 2 weeks of issue. Our e-Policy delivery system helps to support this process as it allows the policyholder to accept, sign, and pay for the policy online, as well as fulfill any state delivery requirements without any human contact. Travel plans to a country with advisory Level 1 or 2 are acceptable, subject to answers on Covid-19 questions indicating no symptoms, positive test, or self-isolation. Travel plans to a country with advisory Level 3 or 4 will continue to be a postpone until 30 days after return with no COVID-19 symptoms, positive test, or self-isolation.</p>				Cases to age 60-Table 6 or better-applications accepted. Table 7 or higher-applications postponed. Ages 61 to 65- Table 5 or better up to \$500,000; Table 2 or better over \$500,000 Table 3 or higher-postponed. Ages 66 or older- Table 2 or better-applications accepted. Table 3 or higher-postponed.
Securian	<p>Yes</p>			Generally postpone period of at least 1 month will apply for positive covid-19 diagnosis in applicant.
